Some individual part lengths vary depending upon size of mullion, see Mull Kit Parts descriptions on the following pages for particular sizes and part numbers.

To specify the correct part number you will need to supply width and height of the unit, configuration, interior color and product type.

NOTE: Refer to the Mull Kit Component list section for details on what is included with each kit.

MULLION KITS

When ordering mull kits specify:

1. Part Number;
2. Description;
3. Color/Type (if applicable);
4. Bare wood or white interior.

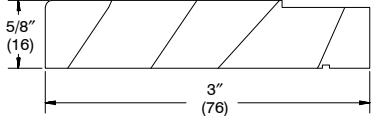

NOTE: Refer to the Mullion Kit Component section for details on what is included with each kit.

NOTE: Specific mull kits are required when mulling Swinging Doors with 6 9/16" jamb extension to an IDG or ELALDGRT, see below.
